

## Forest Hill Home Owners, Inc. Contribution Form

Forest Hill Home Owners, Inc. is a non-profit organization founded in 1950 to preserve and promote the integrity and history of the Forest Hill community. Newer homeowner associations have dues that are mandatory; ours are not. Without your voluntary support, we cannot fulfill our mission. Your donations are used to help maintain the quality of our neighborhood, which in turn helps protect and increase the value of your most significant investment, your home.

We suggest a \$52 donation (\$1 per week) but appreciate any amount you care to contribute. Your support allows us to continue our mission of maintaining the high quality of the Forest Hill neighborhood. Every dollar you donate is a wise investment in your community.

Thank you for your donation. Please return this form with your check to:
